Broadland and South Norfolk District Council Christmas Toy Donation Appeal 2026

This Christmas, Broadland and South Norfolk District Councils are coming together once again to bring festive joy to children in need across our communities.

Through our annual toy donation drive, we're collecting new, unwrapped toys to be distributed to families throughout the districts - ensuring that every child can experience the magic of the season. Whether it's a new book, a creative craft kit or a fun game, your donation can light up a child's Christmas morning. Dedicated collection centres have been set up across Broadland and South Norfolk, making it easy for you to contribute.

Last year, residents and businesses generously donated over **1,000 toys**, **378 books**, and almost **300 additional gifts**, helping to support **208 families** across South Norfolk and Broadland.

Let's turn Broadland and South Norfolk into Santa's workshop - one toy at a time!

Who will it support?

Toys will be distributed to children aged 0 to 18 across the districts who may be experiencing hardship and are being supported by local professionals and partner agencies - many of whom may not otherwise receive a present on Christmas Day.

With your help, we can ensure every child experiences the joy and warmth of Christmas.
