NEWS FROM MULBARTON PARISH COUNCIL

Want to get involved?

Ever wondered who helps shape the small decisions that make a big difference in Mulbarton? From local ideas to future plans, parish councillors help turn conversations into action — and there is room for more voices around the table.
We can have up to 11 councillors, but at the moment we have only seven. That means there is a real opportunity for new people to get involved, bring fresh ideas, and help influence what happens next in the village. You do not need special experience — just an interest in Mulbarton and a little time each month. Curious? Get in touch at clerk@mulbarton-pc.gov.uk, ring 01508 578134 or chat to any of our councillors.

Meadows play area

The pump track and new play equipment have now been installed and is open for use. We thank all of you who helped with the fund raising and who have provided valuable feedback on the project.
We still have a little bit of work to finish the project, including turfing the area around the pump track and adding a no parking sign to the Meadows entrance gate.
It is also hoped that we will install a bike repair station near the pump track. We are hoping to receive funding for this.
Council decided not to hold an opening ceremony due to parking and the lack of councillors to help with the event.

NEWS FROM MULBARTON PARISH COUNCIL

Youth provision

Thank you to all of you who responded to our short survey about a youth provision, your views will be discussed with the YMCA, who will be running the club for 12- to 18-year-olds. We are still trying to find the best days and times that will work for the youth, YMCA and club location. Please keep an eye on our social media for the latest information.

The Common

Norfolk County Council has shared a draft of the feasibility study, which was discussed by the council in their October meeting. The final report will be made publicly available and the council will look into the cost of the recommendations.

The repairs to the footpaths around the Common were completed in September.

Bromedale Avenue parking

Residents contacted us about the parking on Bromedale Avenue. This was added to the October agenda, where the residents and councillors discussed the issues. As a result, we have contacted Norfolk County Council to ask them to consider installing double yellow lines on a small section of the road. If you have any comments, please email clerk@mulbarton-pc.gov.uk or come along to one of our monthly meetings.

2027 meetings

Everyone is very welcome to attend our meetings, which are usually held in the village hall from 7.30pm. Please check the agenda for confirmed date, time and location. The council have agreed their meeting dates for 2027;

18 Jan	15 Feb	15 Mar
19 Apr	17 May (Annual Parish Council Meeting)	21 June
19 Jul	16 Aug	20 Sep
18 Oct	15 Nov	13 Dec

The Annual Parish Meeting will be held on 24 May. The is a chance for local groups to come together to raise matters that are important to them.
